The head is not proportionate to the body, but he gets along with it. He is a man of vast re source, and ho keeps his resources at and. He believes that a man's long-

band. He believes that a man's longination should rule the man, or know
the reason why. The whole back part
of his city lot is laid off by no exertlent
map of the world on an extended scale.
When the weather is extremely hot,
und he takes after the weather, he goes
straight to the North Pole and enjoys
the climate, which is said to be sa edd
that even our refrigerators can not
stand it. He stays there as long as he
can endure it, and then bies him to the
other extreme, the torrid zone, with a
few well-directed steps, and without
much expense for fine and transportation, or risk of shipwreck and loss of
life. The weather in that locality, you
know, is so hot that a cold of the worst
description will soon thaw and loosen, description will soon thaw and loosen, and can easily be pulled with a pair of

strong tongs.

It is no trouble for him to cross the Atlantic, without yea sickness, and ninke a tour all over Europe, and there is where he has the advantage over yet coufiding Mrs. Smart, so as to make her words effective, was a puzzle to her. At last she did it. It was after n long well of tribut to hide in a denuities, and brown is a good talker, and has the faculty of naking ten minutes scent an hour by the steel-

It is truly thrilling to see how reckher lap and elevating her nose in the alr so is to look under her spectacies, she started out:

"Do you know the talk that is goin round about Warren?"

"No," answered Mrs. Stuart, in surprise. The two ladies were alone, and or any of the Sindwich Islands and feel growthy refreshed by the trip. He saw or route refershed by the trip. He saw or route refreshed by the trip. prise. The two ladies were alone, and Mrs. Arnold moved her chair up a little nearer to her neighbur and sald:

"and way of the small way of t Mrs. Arnold moved her chair up a little nearer to her neighbur and said:

"People say he's going to marry,"

"Marry—marry who?" asked Mrs. Stnart.

"Your bired girl." There was just the least contempt in the answer.

"It's fake; I don't believe it," said Mrs. Stnart, with Indignation.

"Now, Mrs. Stnart, i want you to forgive me if I seem to be meddlin with your family affairs, but f assure you what f am goin' to say I say out of my strong friendship and desire for your happiness."

"What do you mean?" asked the terrified Mrs. Stnart. "Please tell me what it is."

"Whel, there is dauger of Warren being carried nway by that girl."

"Well, there is dauger of Warren being carried nway by that girl."

"Well, there is dauger of Warren being carried nway by that girl."

"Web, Helen?"

"Yes, Helen. I know she seems very nice, and all that, that sho is devoted to her little hrother and excites your sympathy, but can't you see she's nlaying a brong papers.—Detroit Free Press.

her little hrother and excites your symto the funny papers. -Detroit Free

LIFE AT HOMBURG.

A Place Where the Chroole tovalld May He Life at a German bath begins early; ought to be. I know that," and Mrs. Arnold rocked back in her chalv with at six in the morning, or seven gratifying to a tattler.

"Mrs. Arnold, I wish you would tell me what there is against Helen Lake man's character. I don't want a person in my honse who has a blot upon her name."

I don't want a person in my honse who has a blot upon her name."

I don't want a person in my honse who has a blot upon her name."

I don't want a person in my honse who has a blot upon her name." oThere's only rumors from where see came, but these, of comese, couldn't be proven, she has covered them up, so it's best to say nothin' about it; but she best to say nothin' about it; but she has determined to become your daughter. has determined to become your daugh- intervals necessary between the single ter-ln-law."

These suspicious were, to uso Peddiese of water. At nine o'clock the environs of the springs are neurly empty; dier Pete's expression, "lies made out o' whole cloth." Having braken the ice the subject was easy to discuss. Mrs. Arnold was gratified to find he rodylee received in the manner desired. She suggested that Warren be sent away for a few weeks, and in the meanwhile streets and calls visitors to the differ-Sheanggester that which the meanwhile streets and calls visitors to the different with third girl" be shipped.

Having spent a very pleasant aftermoon is employed in different ways. Having spent a very pleasant inter-moon to herself and performed her duty hound to herself and performed her duty hours in what she deemed a Cirlstian man-ner, she bade Mrs. Stuart goal-bye, refusing to remain for tea, and returned hours. thiny kept in order by the administra-tion. Others prefer excursions to the mountains, where there is much to in-terest and manse, and no one will omit a visit to the rulns of the Saalburg, an ancient Roman "costellum." Hetween four and tive o'cleck the neighborhood of the surgest seated grown in the seated marry into a good family and secure a of water, and now, just as the Elizahome for herself and brother. She could not blame the poor girl for that, for she had a hard time, "dear knows;" of yisitors are gathered around the into their family, and especially the son of whom she was so proud. Now, Il she should marry Charence, it might do. Clarence was to be a plain farmer, and Helen would make "some farmer in good wife," but Warren had been sent its gilded chambers, all of which are good wife, "but Warren had been sent its gilded chambers, all of which are some farmer in good wife," but Warren had been sent its gilded chambers, all of which are some farmer in good wife, "but Warren had been sent its gilded chambers, all of which are some farmer in good wife," but Warren had been sent its gilded chambers, all of which are some gilder. "Well, then, Mrs. Stuart don't know the know nothing about it must be higher than a hired girl. He must marry some lady from the city of town. The solilouny of Mrs. Stuart decoration. Music culiveus the secure there are constant performances by milltary brands in the Kursaal Gardens, or, if the weather is unpropitious, in the concert rooms. Bulls and dances about the matter that night, he becompany gives special performances in the theater, and all but the complaining chronic invalid may be as joyons as they please. Only the hours are early; at eleven or soon afterward, certainly before midelight, all thoms have been realized to make forthinkly.

urg has retlred to rest .- Fortnightly Pictores by Telegraph.

A Scotchmun named W. Gemmil has ted and reproduced at the other. The pleture is primarily projected on a seleuiun cell placed in the tolegraphic circuit which, according to the degree of intensity of the light received, acts upon the current and through a number of subsidiary currents connected with substituty currents connected with an ireundescent lamp, Illuminating it with *_ried degrees of intensity consonant with the strength of the current. These successive Illuminations would give images of corresponding brighteness to the points in Papietry through ess to the points in the picture thrown pon the selephum cell, and the linal icture of course would consist of n series of these points in various depths of shado. One can not see what practical uso this invention would be except as aid to the police departments of the various cities.—Demorest's Monthly.

-While the liar has more pressing need of a good memory than oth men, he is of all men loss likely possess it.--President Porter.

business takes him past the post-office corner several times each day.

Cling-g-g! "O, you need not rlag your chestnut beli on in 3. The sentiment has a untty tlavor, I know, but the application is entirely original. Most people believe that all small things are triffes, believe that all small things are trilles, and there's where a big error creeps into their calculations. 'Creeps.' That's just the word I was groping sround after to express my application, frefer to bed-bngs. They are small things, but no tritles. They are more expensive, weight for weight, than tirst-water diamonds!'

"Had to buy a new bed-tend and sell the aid one to a second-hand dealer, eh?"

"If that was all I wouldn't mention lt. No, sir, one little tramping, med-dlesome bed bug has just cost mo more than a hot delork's headilght is worth. Pill tell you what the parasitical little wretch did to me. The tirst thing he did to me wis to gallon up and down my back and wake in up. I made a grah, or rather a frended series of grubs, for him, but I wear a perforated undershirt, and the way he wove la and out through the mastes nullfied all the grabbing I was capable of. One would imagine that when a bealthy, musen'ar man, wsig'ling one hundred and sixty pour is, arsaults a poor, lonely insect, an immediate and urried retreat would be made by the

hurried retreat would be made by the party of those ond part, but this wasn't that kind of a bug. He found an Impregnable position up between my shoulders and commenced erochetler any undershirt as If it was fun. Twitting my right arm over bishind my ear feedt victors as it resoan ling thamps as far down my back as I could reach. Then I retreated in disorder and nearly listocated my left arm in miking a sortic from the opposite direction.

"What in the world are your shoul?" in juired my wife in sweet and mallow tones that sie brought with her from Vermont, the dramating having dis

Vermout, the dramming having disturbed her slumbers. "'I'rying to sumb (thump) an informal bod bug (thump), and I eas't (thump) reach him."
"'Three strikes, out?' shouted my

"Three strikes, out? shouted my wife, laughing.
""Itaz bul-bugs, and buse-ball and all other pests?" responded f, and as soon as I commenced to talk evelledly that bug mizzled as if he had been an umpire he Kansas City.

"After my wife got through laughlug, she said she would have the bed ove; handed and reduce its census next day.

hauled and reduce its census next day f was not present at the investigation but I have no doubt that it was but I have no doubt that it was tho can gh, for when I went home the next day to dinner, there was nene; wife sa d she and the girl had hoon too busy, and I don't think she lled about It. In the back yard I found several sections of a disc mag alan I disjointed bedstead. One leg was broken, the head-board was split, the varnish hall mostly been turned white with holling mostly been turned white with holilnor water, and its breath s.no't of soap-sads and its breath s.no't of soap-sads and importing. The springs loo'ted as if the Marquis of Queens-berry had get mad at them; the mot-tress had been 'bested' in an encounter with a nail or look; the children had with a half or hook; the children had been beltlag each other with the pillows until they hooked as if they wore moulting, and the carpot was struggling to overthrow the aley fonce.

"We've looked every where for that bag and can't find him. Are you sure you felt one?" proclaimed and in-

"Was I sare I felt one?" Think of that for a question! "Well, my wife remarked that inasmuch as the bug might be hidden in the wall-paper or in a crack of the floor, it wind be well to repaint and repaper the room, and I workly con scuted. Once the painters sud paper hangers were lasting the house, ever carnet came up, and for a fortnight I slept in the kitchen beside the cook-stove. I paid the bill th's morning throa hundred and twenty-live dollars.

"The lung? O, he escaped."—Detroit Free Press.

DRESS TRIMMING. The Popularity of Etam'ee Bands a c Hands of etamine, embroidered in cross-stitch with silk, are employed in trimming matiness and dresses made of surah and fenlard revors collars and cuffs are embroid ered to correspond with the bands and all kinds is extensively used for trim-ming. Lace embroidered with gold hullion is very elegant to trim dinner and evening dresses of black lace, silk or satin. Velvets for trimming are strewn with tiny flowers in bright

colors.
talloons and braids of all kinds are the most facilionable trimmings. They are plain or heavily beaded. Camplete sets of the beaded ornaments are made to correspond for trimming panels, vest, cuffs and collar. The weight of some of these, if elaborate, is truly anpalling. Natural lir comes, very small, are introduced as pendants on jet galloon; gold is also used with jet. It, however, must be of the very thest quality, or it has a common, tawdry uppearance. Fringes of silver-gray seeds mixed with steel beads and orna-ments to correspond are shown to use upon gray wraps. These are new, atylish and very expensive. Large steel, gold or jet bulls are worn on the ends of ribbon bows.

Sucie gloves still continue fashlon-able. When will gluce kid gloves re-turn to favor? Sucie is very well for turn to favor? Suede is very well for morning wear, but certainly glace kid looks better for dressy costumes and evening wear; but fashion is a storn autocrat and must be obeyed, so no change is yet to be made. The tan celer of the kid is yet the first choice, but black and various shades matching the costume with which it is to be worn, are shown for those who prefer a match to a contrast. Four-button gloves are the longth most used for general wear. For evening the length of the gloves and number of button is regulated by the purse of the owner. There is a slight disposition to assume of the pale tints so long discarded, as well as the tau shades. Stickling in black and colors is seen on many of the new gloves.—Philitelephia Times.

now gloves.—Philadelphia Times.

The Inter-State Commerce Bill.

!Cinc'unuit Commercial Gazette. December 30, 1886. If the Reagan bill should become onform to the long-hauf raics, and therefore the vast business of cheap transportation for long distances would be anulbilated, and local rates would be put up to supply the dell-

maineas to the edge of the country. Chicago could get along, uwing to icr water transportation. The seanast clties would be least troubled, because they have the coasting trade. Mr. Reagan's town of Galveston would profit, by having the business ot Texas forced through that port sas Clly, and St. Louls-would be squeezed.

Our adventages of central position in Cinchnail would be turned against us. Mr. Harley Proctor, ot peech, in which he used these words. Prector & Gamble, said, yesterday, that If ever the Rengan bill became a no volce will be raised in behalf of law, there would never be another that great body of people who have stene loid in the improvement at Ivorydale. The question was whether It would not be well to stop now, county that this bill should pass the and see whether this astunishing leg-Islation must be perpetrated. The Resgan bill is to force the

constry back into the old rats of business-to prevent the use of the rapid trauslt of vast masses of freight across the country, to compel by cal organizations. For the past ten national law a system of petty and years It has spoken at everyone of Its tyrannens provincialism, to make State lines burrlers against commerce, and ranchman, several of whem, in-New Grange .- Ashland, No 811, try ln sectional parcels, and to enable the prefessional politicians, through clves of its advantages.—St. Paul Excelsior Grange, No. 5, of Maine, commissioners, to bleed the business The ignorance displayed on this

How Lawyer Kirk Settled a Muss and got His Start-A Narrative of Early Times in Hopkinsville.

About the year 182- Hopklusville or 800 lubabitants and they considerably scattered. There were but few stores in the county outside of town.

People who lived at considerable distances from town did not county.

Kirk persuaded blut to defen to the county of l'eople who lived at consucration to tances from town did not come to town more than three or four times to with him.

So floss Shanks made flen lead ohl ginseng, etc., for spun truck and the like.

In those days there lived a family in the Humdurgin country by the way of threats of denodishing Henname of Prowier. The Family consisted of old man John and two sons. It is also that there may be said the Sheriff, who askon neighbors, and the old "coman," and Peggy, or Peg, as she was catied in her "beat;" old man John was hardly known by his right name, het was said the Sheriff, "I have n warrant for you." 'Oh Lord what are a guyen trict by the characteristic name of to be come uv us?" shricked old annut

a show, although they were! 8 and 20 that you will come to town next Satycars of age and Meil was 16. The old lady had been to only one in her life. So when Boss Shanks came of them in concert, "but we haint got from town he electrified the family more in there, you can look Impyer from town he electrified the family by telling that there was "gnyen to be a surces show on the—day nv June with a sicomff live clown." It was settled at once that all hands would attend. On the show day the Prowler family were on the road early. The old man and two boys waking and carrying their jeans coata on their arms, old annt l'eg and Moli riding ha a two wheeled cart pstehed up by the floss and his boys with old Jerry a very good billed horse hitched to it. They were loaded, with "aigs and 'sang," which they intend to acli for show money. In due they intend to acli for show money.

the short start was up. He always the beard and cover two targets are the start and the hardbles of the bear and the beard and cover two targets are the beard and the

know old man one wheel wabbled ter-ribly?" "yes," said Hen, "and the tire wrrekepton by a withe and every time it can to the ground it left a mark that I'de know in Hallefax."

of the Henicy residence, a large brick reshience that then stood where the "flenny flock" now stamfs, a little back from the street. Into this gate the tracks led. The lawyer was in the crowd with pencil and book taking names of witnesses. For various reasons we will call him Eq. Kirk. Flundy Boss Shanks discovered old Locry and bis cent in a shed that was foundation of the system, thereby destroying the foundation of the disease and giving Finally Boss Shanks discovered old Jerry and his eart in a shed that was

inseng, etc, for spin truck and the ike.

In those days there lived a family a good deal of loud taiking in the known in tewn as well as in his dlstrict by the characteristic name of
Boas Shanks, from the reason of Inverlably wearing his pants some live
or six inches the short and his home
knit sox about the same, so there was
a gap between the two of some inches
showing a pair of yellow shanks
somewhat scratched with hrmsh and
briars.

The boys and Mnii had never agen
a show, afthengh they were'l 8 and 20

\$100 Roward, \$100.

The resilers of the South Kentuck So they got on the track and contrary to their expectations the track lei towards the back gate to the yard selence has been able to cure in all its of the Henry residence, a large brick stages, and that is Catarria. Half-reshience that then stood where the Catarria Caro is the only positive "Henry Block" now stamIs, a little cero now known in the medical trafoundation of the disease and giving the patient strength, by building up the constitution and assisting nature in doing its work. The Proprietors have so much faith in its curative powers that they offer one innufred dollars, for any case it falls to cure. Send for his of testimonlats.

Address, F. J. Cheney & Co., Toledo, O. Sold by Druggists, 75 ets.

The amount of Job printing we are now doing on our presses, is evidence that our pairons appreciate the neatness and superlority of our work. We aiways strive to piense and make our work stand as an advertisement. To all those who want jobs of anykind we will say that if you intrust them to our care, nothing but the best work will be given you.

We have a 6 drawer New Remirgon sewing machine for sale. If you

ADVERTISING RATES.

One lack one time, 11,00; new ever, 11,00; new ev to the skipper, and up he comes on deck. Every sail was full and drawln', even to the topgallant stam sails, and she was keeled over as a ship is what is under a six-knot breeze; but, so help me, I don't helieve sho was movin' at all. The old man lumbled to it, too, and says he to me: 'There's something kind o' enrious about th'a; but don't let on to them niggers for'ard.'

and says he to mo: 'There's something kind o' curious about th's; but doa't jet on to them niggers for'ard.'

'He hadn't more than got the words out of his month when the yellow devils came alt in a body and began to jabber away, minitin' up to the sails full, and and some are some alt in a body and began to jabber away, minitin' up to the sails full, and away, minitin' up to the sails full, and away, minitin' up to the sails full, and away. away, pointin' up to the sails full, and then to the water, makin' the sign of the cross and goin' on at a rate what was mough to set you crazy. They was just seared to death; they see the ship under full sail, and they'd found out she wasn't movin'; that was the amount of lt.

amount of it.

"The skipper was a man of few words, and he grabbed up a marlines of ke and went lor 'em and they got lack lor'ard. Then the old man ordered away the diagey. I'd bad the helm down all the time, and by stacking the head sails and brailing up the foretopsail had got the ship up into the wind, and when the diager was two as a large to report in the present in the quality of all darks are possibly a shade better. The following quotations fairly represent our market for new dark tollaces.

The skipper was a man of few with receipts for the same period of 900, linds. We have no special charge to report in the process of each away to be dark tobarco since the policy of the same period of 900, linds. We have no special charge to report in the prices of each away to be dark tobarco since the boldlays. There has been no improvement in the quality of the quali and when the dingey was lowe of I went down in her, and soon as I struck enter I so what was the matter. We were stack in a hed of sea-weed what was about as solid as any thing you over saw. I sent an our down into It, and only it reads bottom out them taking.

and treach out down into it, and colduit reach off-out, and then, takin' a bunch into the thinger, I gave the wird and was handed up to the daylist again, and if ye know it didn't help things at all. The Portagees were cared mor'n ever, and said we'd again, and one of out any and and the said we'd again, and and one of out any and and the said and any of out any and and the said never git out, and one of em spun a long yarn atoma schooner on the Atlan-Le coast of South Amer ca what run into a bid, and all funds starred to death and were found there by a steamer. I knew that we were all right as long as we had ony kind of wind, but it took as an hone to git her under way again, and by morning the wind had all gade days and there was lay ince ton sewing machine for sale. If you are needing a machine we can make it to your interest to ealt at our office

HISTORIC WALPOLE.

A New Rampable Toya With a Remark
Toya With a Remark
New Rampable Toya With a Remark
Toya With a Remark
Toya With a Remarkso that the grass jest showed above the unter; that's the way it looked for all the world, and I'm tellin' you the facts when I say it wasn't no cheerful ont-look. If there hadn't come a wind wo'd have neen there yet; as it was, we lay there for twelve hours waith' for a breeze, lut none caun, and then the skipper ordered out boats and we took grapplin' irons and handed the weed away from the front of the ship, and then got a hawser and towed her shoul. We did that for twelve hours and made foor ship lengths, and then the men seein'it was incuse give it np, and be-tween you and mol-didn't clame 'cm. twe h you add not dant triame cm. So the skipper, alter cassin and swear-ar, and blowin things up hill and down dale, ordered the ship swang rand. That took about four hours.

—A South Nurwalk (Conn.) woman who took gas the other day while she had teeth drawn, instead of regaining consciousness after the operation, remained insensible and began to blook rapidly. Her face, body and limbs awelled alarmingly; but when a doctor was culled, who ripped off her tight olothing and relieved the pressure, she soon recovered. Bentlets say the case

'Kit Warren.'

This celebrated immorist, in a wel written article in a recent number of the Sunny Sonti, published in At-

lanta, Ga., savs:
Everywhere f go I hear of muadvertised and remarkable entres effected by 'Swift's Sperific,' and this is compelied to be the experience of every man who travels and talks, for example, I was going in a briggy in town (Senols) a line nights ego with Mr. doin McKnight, when the conversation turned to the possibility of enfing exacers.
"They can be raired," sald ice. "I

enred one—a genulue, well develop-ed, long standig cancer—and it's been well several years, and the former victim is stout and healthy."

"How did you sure it?" I asked. "I cured it with S. S. S."
"Did you inform Swift of the
